## **TO EXPERIENCE COMFORT IN THE BUSH...**

### **Escape The Blazing Sun With Frontrunner's New Feather-lite Awning**

- Lightweight, hard-wearing fabric construction
- 3.5m wide x 3m deep offering almost 10.5m<sup>2</sup> of shade
- Gable-shaped to allow for water run-off
- Non-fixed mounting mechanism allows you to mount the awning 'where and when you like'
- Extra pole supplied allows for free-standing awning
- Easily rolls up into a 1.1m portable bag
- Optional fronts and sides (with door and windows) available
- Acts as a windbreak when attached to the awning.
- The sides come in a pack of two, including pegs and attachment hooks

### **For Comfortable Outdoor Living, Get Cosy In Frontrunner's New Feather-lite Rooftop Tent**

- Super Light-weight at 38 kg
- Water-proof, durable hard-wearing fabric
- Spacious inside (width – 1.3m, Height – 1.22m)
- Insulated aluminium base and a high density mattress for extra comfort
- Adjustable aluminium ladder
- Mosquito netting on all openings
- Fitted roof ventilation panel
- Low profile of just 200mm reduces air resistance on the road
- Optional Shower Skirt attachment is also available

### **Relax in Frontrunner's Compact Camping Chair**

- Imported from the U.S.A
- The sturdy, steel frame is designed to fold down to a compact unit in seconds
- It folds to 1/16th of its open size in an instant
- Its' compact size makes it easy to pack
- Its' robust hinging mechanism makes it really sturdy
- Seat height: 430mm
- Weight capacity: 115kg
