JANUARY 2010

KEEPING YOU UP TO DATE AND INFORMED

1. DISCOVERY 3 SPARE WHEEL CARRIER
2. DEFENDER 130 SPARE WHEEL CARRIER
3. FORD / MAZDA SUMP AND BELLY PLATES
4. PAJERO SPORT TOW BAR
5. BAKKIE DUST KIT

1. We are pleased to announce that we have designed a new style spare wheel bracket for the Discovery 3. The design is extremely compact and neat. **FRDISCO55** will be launched at an unbelievably low price of **R 5850.00** with standard dealer discounts applicable. So in True Front Runner style we are able to offer you the most affordable Discovery spare wheel bracket available.

2. Along with our Discovery wheel bracket we have also designed a swing away spare wheel bracket for the Defender 130. **FRLR102/130** will retail for the extremely low price of **R 2885.00** which puts it well below any of the models currently available on the market.

So to recap our current range of Spare wheel brackets, we now offer the following

FRDISCO55	Discovery 3 Spare wheel bracket
FRLR102	Defender 110/90 Spare wheel bracket
FRLR102/130	Defender 130 Spare wheel bracket
FRLR37	Defender Tdi, 2.8 and Td5 bonnet mount spare wheel bracket
FRUN29	Hi Profile roof rack spare wheel bracket
FRUN83	Low Profile roof rack spare wheel bracket

We will keep you up to date on the rest of our range as we finish them.

- Another set of protection plates has now been added to our current range of sump and belly guards. The New plates are for the new very popular Mazda / Ford bakkies. The steel sump guard **FRFM35** will Retail for **R 1395.00** and the steel Belly plate **FRFM36** will Retail for **R 1595.00**. The plates are powder coated black and fit the vehicle very snugly without affecting ground clearance in any way while offering superb protection to the under side of the vehicle.

- We are very happy to announce that we have finished designing a detachable neck tow bar for the new Pajero Sport. **FRPJ52** comes with Jacking points and recovery eyes and fits very neatly behind the back bumper with very little cutting of the plastic. The new bar will Retail for **R 2350.00** and as always we do have stock available.

- We have been asked by numerous people to make up a decent affordable dust protection kit for the tail gates of bakkie's. So as with anything else that we have a decent demand for, we complied with our customers wishes and

are happy to be able to offer you this new product. **FRUN88** will retail for **R 475.00** and will come complete with a material mat, 2 steel pre drilled strips for securing the mat, two steel strips for the sides of the lad bin and hi-density foam sealing the sides.
