3. We have made a track mount 1.6m roof rack for the Daihatsu Terious. **FRDAI4001** will retail for **R 3995.00** while the 2 bar rail kit **FRDAI10** will retail for **R 2450.00**. Both of these as always are ex-stock.

4. For locking a spare wheel on the Front Runner spare wheel carrier for the Discovery 3 & 4's, we now offer a bolt on wheel lock nut **FRDISCO29**. This wheel lock locates on the provided hole on the spare wheel bracket and then slips through one of the empty wheel nut holes on the mag rim. You then use a wheel lock nut with a specially allocated spanner to lock the wheel in place. This means no more rusty key type locks that never open when you need them. The locks will retail for **R 375.00**
